Instructions

The U.S. Consulate General Guangzhou is located in Zhujiang New Town. All visa applicants scheduled for interviews should use the Consular Customer Entrance on Huaxia Road, near Exit B1 of the Zhujiang New Town subway station (Line 3 and Line 5).

Your appointment time on the appointment notice is the time you are expected to arrive at the Consulate, not the time that you will interview with an officer.

Every person attending the interview must bring a copy of the appointment notice on the day of their interview at the Consulate. Anyone whose name is not listed on the notice will not be allowed to enter the Consulate. You will need to wear a mask to enter the Consulate grounds. Please follow the signage and staff instructions to ensure compliance with social distancing requirements.

You will not be admitted to the Consulate before your scheduled time. If you arrive at the consulate more than 30 minutes after the scheduled appointment time, you will be asked to re-schedule your appointment.

The consulate cannot store prohibited items for you.

Please be aware that the following items are prohibited inside the consulate:

1. Battery-operated or electronic devices such as mobile phones, USB drives, digital watches, pagers, cameras, audio/video cassettes, compact discs, MP3s, floppy disks, laptops, or portable music players.
2. Bags such as travel bags, backpacks, briefcases, suitcases, leather, cloth bags, and zip folders. Only small handbags or purses and plastic bags containing application-related papers will be allowed inside the consulate.
3. Food items, including bottled water.
4. Sealed envelopes or packages.
5. Cigarettes, cigars, match boxes, lighters.
6. Sharp objects such as scissors, pen knives or nail files.
7. Weapons or explosive materials of any kind.
8. Other items at the discretion of security staff.

If you have opted for your passport pickup at a CITIC branch, then please keep this Appointment Confirmation Letter and present it when you pick up your passport. It contains the UID number and will greatly facilitate the retrieval of your passport at the CITIC branch.

Please note: www.ustraveldocs.com is the only website that the U.S. Embassy and U.S. Consulates in China have authorized to provide visa information and visa application services. The U.S. Consulate General does not endorse or have a "special relationship" with any other individual or business that offers advice or assistance with the visa process. No one can guarantee the issuance of a visa to you. The only U.S. consular office in Guangzhou is located in Huaxia Road Zhujiang New Town. All U.S. government forms are free. Beware: many visa applicants lose money or are permanently barred from

the United States as a result of misleading information and fraudulent applications provided by visa consultants.
