L. Alien Declaration

I declare under penalty of perjury that Sections J and K are true and correct. I understand that to knowingly furnish false information in the preparation of this form and any supplement thereto or to aid, abet, or counsel another to do so is a federal offense punishable by a fine or imprisonment up to five years or both under 18 U.S.C. §§ 2 and 1001. Other penalties apply as well to fraud or misuse of ETA immigration documents and to perjury with respect to such documents under 18 U.S.C. §§ 1546 and 1621.

In addition, I further declare under penalty of perjury that I intend to accept the position offered in Section H of this application if a labor certification is approved and I am granted a visa or an adjustment of status based on this application.

Alien's last name MALIK	First name HIMANSHU	Full middle name

K. 9. Job 1 - Job Details

Interface with internal audit, business, IT, and members of executive management to design and implement solutions. Help to identify and evaluate complex business process and technology risks. Assess and evaluate internal controls. Participate in risk assessments, determine audit plans, execute audit programs, assess issues, and work with management to determine remediation plans and track progress. Understand clients' business environment and basic risk management approaches. Develop knowledge of market trends and competitor activities, products, and service lines within multiple industries. Assist in preparing project plans and weekly status reports. Coach and mentor junior team members.

Supervisor: Melvin Faillace; Tel: +1.305.372.3268

K. 9. Job 2 - Job Details

As Advisory Senior Consultant, Mr. Malik performed the following job duties: interfaced with internal audit, business, IT, and members of executive management to design and implement solutions; helped to identify and evaluate complex business process and technology risks; assessed and evaluated internal controls; participated in risk assessments, determined audit plans, executed audit programs, assessed issues, and worked with management to determine remediation plans and tracked progress; understood clients' business environment and basic risk management approaches; developed knowledge of market trends and competitor activities, products, and service lines within multiple industries; assisted in preparing project plans and weekly status reports; and coached and mentored junior team members.

Supervisor: Melvin Faillace; Tel: +1.305.372.3268

K. 9. Job 3 - Job Details

As Advisory Consultant, Mr. Malik participated in risk assessments, determined audit plans, executed audit programs, assessed issues, and worked with management to determine remediation plans and track progress (10%); demonstrated an understanding of clients' business environment and basic risk management approaches (10%); assisted in preparing project plans and weekly status reports (10%); assisted with the development of control frameworks encompassing regulatory requirements, including privacy and Sarbanes Oxley, and application security designs (15%); under supervision, audited SAS-70 controls and identified and evaluated complex business process and technology risks (30%); evaluated and implemented internal controls that mitigate risk (20%); and developed knowledge of market trends and competitor activities, products, and service lines (5%).

In this role, Mr. Malik gained internal controls and accounting experience. Mr. Malik utilized the following to perform his assigned job duties: assessing clients' Information Technology (IT) environments and risk management approaches by executing internal and external IT SOX Audits and SOC 1 (SSAE 18) reporting engagements; performing IT General Controls (ITGC) testing and identifying inefficiencies and control gaps in the areas of access Security, change management, data center, network, and operations; performing client walkthroughs of IT processes relating to financial systems and identified associated risks; performing automated controls testing of various business processes (order to cash, procure to pay, inventory, and fixed assets); performing audits under Sarbanes Oxley, PCAOB, AICPA, SOC, and COSO frameworks; utilizing controls surrounding on-premise and cloud-based Enterprise Resource Planning (ERP) systems and business applications, including Oracle, Workday, Salesforce, and NetSuite; assessing operating systems (OS/400, Windows, and UNIX), database systems (Oracle and SQL), and IT infrastructure/network components (domain controllers, firewalls, routers, and intrusion prevention/detection solutions); performing detailed risk assessments, risk ranking, automated control design, control GAP analysis, and risk control matrix documentation of clients' business controls and information technology controls; performing project planning, defining internal control test criteria and data, executing testing, performing status monitoring and problem tracking, and providing recommendations for resolution; and testing the design and operating effectiveness of controls using accepted accounting and statistical procedures, and leveraging audit analytics and visualization solutions (ACL, QlikView, Tableau, Spotfire, Microsoft Visio, and Office Suite applications) on large data sets. More than 50% of the job duties performed in the Advisory Consultant position are not performed in the Advisory Senior Consultant position. More than 50% of the job duties performed in the Advisory Senior Consultant position are not performed in the Advisory Consultant position.

Please note that the worksite address listed above may differ from the employer address listed on any eventual employment confirmation letter because many employers - particularly those with operations in more than one location - may centralize the issuance of such letters from a particular location.

Mr. Malik obtained a Bachelor of Technology degree in Information Technology from Guru Gobind Singh Indraprastha University (India) in March 2016.

Supervisor: Melvin Faillace; Tel: +1.305.372.3268
